LiveAuctions.TV

Go to www.iowabeefexpo.com or
www.liveauctions.tv or call Brad Fahrmeier
at 816-392-9241 to create an account
and register for a buyer number.

Internet Bidding

Real-time bidding is available via the internet.
Live audio and live video will allow buyers to bid
on animals just as if they were present at the
sale. **A buyer account must be created
before Feb. 12, 2016.**

Health

All cattle sell with proper interstate health certi-
ficates. No tolerance for ringworm will be allowed.

Semen Test & Breeding Guarantee

All bulls born before Jan. 1, 2015, must pass
a breeding soundness exam performed by a
licensed veterinarian after Jan. 19, 2016 and
prior to arriving on the Expo grounds. All bulls
born before January 1, 2015 or any non-virgin
bull requires a single negative PCR test after
January 19, 2016. All bulls are guaranteed by
the seller to be fertile breeders. All females 24
months or older will have a calf at side or be
pregnancy tested by a veterinarian and found
to be safe in calf.

SPECIAL IOWA BEEF EXPO OFFERS

HAWKEYE BREEDERS SERVICE, INC.

David & Brandy Jensen
515-993-4711
www.hawkeyebreeders.com

"THE MIDWEST'S MOST OUTSTANDING BULL HOUSING & COLLECTION CENTER"
offers one free semen collection on anyone bull that brings \$3,000
or more in any of the sales held during the 2016 Expo. The col-
lection work must be completed prior to the 2017 Iowa Beef Expo.
Bull must be presented to the Adel, IA collection site.

MUIR EMBROIDERY

515-386-4196

Muir Embroidery, Jefferson, Iowa, along
with Livestock Plus Inc., Clarion, Iowa,
will present specially embroidered
Iowa Beef Expo jackets to the consignors
of the high-selling bull and high-selling female in each
sale. Jacket must be ordered before the end of the
2016 Iowa Beef Expo.

LivestockPlusInc.

641-745-7949

www.livestockplusinc.com

HAWKEYE TACK & WESTERN SUPPLY INC.

Des Moines, Iowa 800-310-8225
www.hawkeyetack.com

"Your Western Store Located Directly Across from the Iowa State Fairgrounds"

All buyers registered prior to the start of each breed sale held at the
Iowa Beef Expo will be eligible to win a special embroidered Iowa
Beef Expo cap. Hawkeye Tack will also be presenting the IJBBA Top
Year-End Award winners with special boot and Wrangler jean cer-
tificates. Hawkeye Tack will also be offering all who attend the Expo
a certificate good toward \$500 off the purchase of a new trailer and
20% off one regular-priced item. Some exclusions apply.

TRANS OVA

800-999-3586 www.transova.com

is offering to the purchaser of the high selling female in each
breed selling 25 head or more at the 2016 Iowa Beef Expo, one
free embryo flush on the female of his/hers choice from his/hers
breeding herd and three free transfers into the owners recipients.
The embryo work must be completed prior to the 2017 Iowa Beef
Expo. Contact Mark Johnson for complete details on this offer!

Selling a Guaranteed Successful Flush
 BC Ms Clarice 1220 P ET combines two of the breed's most popular parents into one package. She is a daughter of the \$105,000 LT Ledger and out of the most famous donor in the Wright Charolais program JWK Clarice J139. BC Ms Clarice 1220 is a full sister to the WC Capital Gain 2220 and WC Paramount 4120 who sold for an average of \$22,500 for 1/2 interest each! Another full sister sold in December 2014 for \$25,000.
 She is due to calve in January, 2016 and will be ready to flush immediately after the Expo. The embryo work will be done at Toby Mueller's UltraOva facility here in Iowa. This flush will be guaranteed to produce a minimum of 7 frozen embryos if they are all frozen at the time of the flush or a guarantee of four (4) 90 day pregnancies if all embryos put in fresh.

Three (3) Frozen Embryos
 Monopoly x WDZ TR Tamara 7028 P ET
 These 3 embryos will create quite the stir during the Iowa Beef Expo. This mating has a proven track record of success of great ones. Recently full sibs were selected the 2014 Ohio State Fair Grand Champion Steer, the 2015 Missouri State Fair Reserve Grand Champion Steer and the popular PZC Striking Gold. Tamara was the first Fire Water daughter out of Thomas Ms Impressive 0641 to bring attention to this the genetic power in that mating. Her full sisters have been National Champions THREE times; TR PZC Firegirl, TR PZC Ivory Angel and most recently CC TR Adalina 3129 Pld ET in Louisville.
 This offering of 3 embryos is guaranteed to produce at least one pregnancy.

Starting the catalog with the oldest bulls to the youngest and here is a big, stout bull ready for heavy service. His perfectly made sire Wind Gust (pictured) has been a consistent producer of quality offspring. The dam of this bull was a Junior National Class Winner in 2013. She was born 5-16-12 and calved this bull before her second birthday. The maternal grand dam LC Pretzel was the high selling heifer right here at the Iowa Beef Expo in 2008. We used this good bull on our yearling heifers this past summer. He will be Trich tested and ready to go to work.

This two-year-old comes right out of the successful show string of Jim's daughter Taylor Husz that showed him to an AIJCA Junior National Class Winner this past summer in Minnesota. Taylor is also a past Miss Charolais U.S.A. His sire is the \$20,000 LT Long Distance a tremendous calving ease sire and his dam is by WC Big Ben another calving ease line, out of another calving ease line NWMSU Doc Silver! Not only does he bring a calving ease heritage to the table, but also a nicely balanced set of EPDs. This operation also produced the 2014 Iowa Beef Expo Grand Champion Bull and high-seller.

This 2 year old comes straight from the heart of our small herd. He's square hiped, big topped, as well as big boned. We thought so much of him that we used him in our own herd to cover after AI. He was a division champion at the Iowa State Fair. As a 10 month old he scanned a 17 in rib eye and had an IMF over 4.

Excellent growth, big foot, good bone, extreme soundness from the ground up, extra style and balance, and tons of depth are the easy things to see about this bull. He won his division at the American Royal, 2015 in Kansas City, MO and was Grand Champion at the Illinois State Fair. His sire is working a purebred herd for Kelly Koester in Illinois, and she has been taking semen orders on his him. His sire has had no calving issues to date. Add that with this bull's soundness and impeccable shoulder structure, there should be no worries here either. His mother is our heaviest milker and is one of our top 3 females. This bull is her 1st purebred calf. Look at the growth! He is our record gainer at both Weaning at 865, and Yearling at 1516 in our herd.

This bull is a complete outcross to many Charolais pedigrees. There is lots of balance in this long-fronted, big butted bull. He also brings a lot of maternal and carcass genetic traits into the mix. If you have Fire Water females, look no further.

The youngest 2014 bull in our line up, but not last on your list. This son of the \$105,000 LT Ledger is powerful in his design, is thick made, deep-bodied, good footed and smooth in his shoulder. He also combines huge performance with an almost 900 pound weaning and puts that with a negative birth epd. His dam has always been a very productive female.

He is in the top 2% of breed EPDs for Birthweight, 2% Milk, 4% Total Maternal and 3% Scrotal. This Bluegrass progeny has lots of potential for heifers with a 65 pound birth weight out of a first calf heifer. His dam was purchased from Lindskov-Thiel Ranch in South Dakota. He is out of an Oakdale Duke daughter and she has good fertility and an excellent udder. This bull has a good spread from birth to weaning weight. Topping his attributes, he is 50K Genomically Tested and Homozygous Polled.

This is two outstanding bull calves sired by Turton, the National Champion Bull that sired last year's National Champion Female TR Ms Allie 3606A and the following year she was named the National Reserve Champion Female. Their dam is ACE Ms Bud 2419 the Bengston's tremendous donor dam, that has been a donor for Jara Settles where she produced both purebred and club calf Junior National champions. From there she went into the Polzin Cattle embryo program before she landed with Ben. Their dam 2419 is a full sister to the equally awesome donor SCC Ms Bud 418-1128 that a one-half interest recently sold for \$30,000 and the same day sold Turton sired weaned heifer calves that sold for \$10,000, \$25,000 and \$29,000 all full sisters in blood to these bulls! Lot 23 was a class winner during the 2015 Iowa State Fair. He is like a Mac truck and you won't find many as good as this big guy, don't miss out on him or his full brother.

One of the first sons of M6 Bells & Whistles to sell in the upper Midwest. He is extremely deep-bodied, thick made and sound structured. His dam is one of our best cows and her last bull out of LT Ledger sold for \$6,500 in the ICA Dunlap sale in the spring of 2015. His EPD profile is outstanding, combined with an excellent pedigree and the look of a herd sire, this should put him at the top your herd sire wish list.

We got a party going on right here! So let's "Celebrate" and party with you! NGC Celebrate is the 47th National Reserve Junior Bull Calf Champion in Louisville Kentucky this past November. Celebrate is powerfully built, super deep, big boned, outstanding foot structure and as long as a freight train! Retaining 1/3 semen interest. Hold on, we have one more brother to talk about. NGC Story teller is a very correct, long sided, sound herd sire prospect with a nice look! Wait, we have a story to tell you! These full brothers are out of the great LT Ledger bull that has gained so much excitement in the Charolais breed! They are out of the superb Nancy cow family that backs them up by 4 generations of Donors. Their dam M6 MS 761 Nancy 6100 P ET has produced over \$100,000 in revenue in the past year. These 2 brothers are full sibs to the bulls and heifers that have averaged \$12,687 in the past year at public auctions. Yes, they are full brothers to NGC Lender 404B ET the last year's Grand Champion and high seller at the Iowa Beef Expo selling for \$18,000 and going to Doll Charolais in North Dakota. They are also full sibs to NGC Lovely 509 C ET that was the lead off lot and high selling open heifer at the National Sale in Louisville Kentucky at \$13,500. Here is your chance to get into a powerful pedigree, performance and top breed leading EPD's!

These two E.T. full brothers will also get some wide attention in the barn leading up to the sale. They are the commercial man's kind of bull; style to burn, big-hipped, soft middle and smooth shouldered. They set down on a big foot, while still sound when set in motion. They are full brothers to WGB Wind Fire 06Z, the AIJCA Junior National Reserve Grand Bull in Texarkana, Texas in 2013. They are also full brothers to the beautiful WGB Lucy Lu (pictured) that sold for \$10,000 half interest this fall. Their dam Swegle Creek Lucy 444 has made a name for herself for years in the E.T. program at Swegle Creek and for Will Blankers. She has been a "no-miss" donor, who had a decorative show career. Be watching for these bulls to come into the barn.

Here is a prospect sired by a DeBruycker bull. He is a calving ease bull with performance and growth. His dam was purchased from Wakefield Farms and is out of Bluegrass. She has been a standout cow with great looking progeny and an udder to match. He has also been 50K Tested and is Homozygous Polled.

An outstanding herd sire prospect here. He is a powerful Keys All State son who is moderate framed but still possesses tremendous performance. His dam is turning into an outstanding female in the herd after a successful show career. He is deep and soggy from the side, thick from behind, and has a smooth stride. Everything that you need to move your program to the next level.

It's hard to design a bull with more style and squareness in his look, with that show winning attractiveness and a great head. He'll add that square hip and nice front to his calves, while still keeping growth and performance for the pounds that make you money. He's an outcross bull that will add diversity to your herd. His sire is a bull shown and used successfully by Finks and stems from the renowned Picabo cow family. His dam's side is one of the great cow families at Big Creek. So many breed greats in this pedigree – take a look! He'll work on heifers too. He's ultra-smooth in his makeup, with a low birthweight, and great feet and legs. He'll be worth adding to your spring herd sire group.

If you have been looking for a Charolais bull with eye appeal to clean up behind AI or for a commercial program, this herd sire prospect is one to look at. MLL MOMO 582 P combines style with an easy-fleshing design without sacrificing the stoutness or muscle Charolais are known for. Sired by our choice of the 2013 Wright Charolais Bull Sale, WC Long Distance 2010 P, this son brings a balanced set of EPDs with a focus on calving ease and low birth weight. 582's dam Foxy Lady is a full sib to MLL Project Fire 281 P ET, the 2013 American Royal ROE Champion Bull.

These Game Changers are really catching attention for their soft and smooth look, with added thickness and dimension. I kept a full sister to this bull as a replacement out of Game Changer's first calf crop. And just like his sister, you're going to love how much softness and rib shape this bull brings to the table. His natural thickness and eye appeal add to the package. His dam raises a good one every year, and this bull is no different. He'll add plenty of performance and natural shape to his calves. With balanced numbers and backed by a great cow family, it's hard to overlook this attractive bull.

His sire has produced many heavy muscled, easy fleshing cattle that grow and perform well, while still proving to be very moderate in terms of birthweight. He is in the top 6% of the breed for Milk. The disposition on this bull is "kid tame." There is lots of growth and performance in a very moderate birthweight package. On the very top side of his pedigree is Maximizer 385 the #4 Trait Leader for Birth Weight at AICA. Just look at his weaning weight for more excitement.

Bred A.I. on 5-18-15 to WCCC Insight 8071 and is safe in calf. Pay attention to this lot. Ledger X Wyoming Wind X Cigar bred early to the exciting WCCC Insight 8071. Look at Moscato on paper and you are impressed. Now look at her in person and this is a no brainer. Extremely deep bodied, big hiped, a super extended front end, and she gets out and moves the way they are supposed to. She is a full sib to lot 84 and I don't know which one is better so maybe buy them both?? We are really impressed with the Insight calves that we have.

She is pasture exposed from 12-1-15 to 12-30-15 to WGB Wind Fire 06Z and is safe in calf. She is sired by the National Reserve Junior Champion Bull Keys All State, a bull that continues to make a name for himself doing all the right things for the beef industry. Her dam was a show heifer for Megan Johnson in Oklahoma. Read more about the service sire to this heifer WGB Wind Fire in Lots 32, 33 and 48. This female is a late spring born that I held over for fall calving. She's in the top 25% of the breed for five different traits. She wouldn't be for sale, but college doesn't pay for itself!

This heifer is one that will be a big time show heifer and go on to make a great donor. I purchased her mother during the 2014 National Charolais Sale in Denver for \$17,000. Her grand dam just sold in the Thomas Ranch Dispersal for \$20K! Her dam TR Ms Wrangler 2573Z is a maternal sister to the breed great Thomas Ms Impressive 0641 and was the #1 ranked weaning weight heifer in the 2012 Thomas Ranch calf crop with a 769 lbs. AWW to ratio 133 out of 51 contemporaries. Her sire was one of the most sought after herd sires during the Thomas Ranch Dispersal. It's all here!!!!

An extra fancy late March show prospect with an outstanding pedigree. Her dam is a full sister to the great Mustang Sally and her sire M6 Bells & Whistles is one of the hottest young bulls in America. This will be one of the first Bells & Whistles offered in the upper Midwest. They are good, deep made, soggy, sound structured cattle! A half-sister to this heifer (Ledger x Mustang Sally) sold in utero to Beavers Charolais in the last National Charolais Sale in Kansas City for \$6,500. This heifer is moderate, soft made and good haired. Look her up on sale day. As an added bonus we will supply 2 units of Baldrige Fasttrack 82F semen to breed her. That semen is getting scarce and this mating could produce your next herd sire.

A very exciting May heifer prospect that puts many good things together. Cabernet is full of style with plenty of substance. Her Wyoming Wind X Cigar dam is very functional and is an eye catcher in the pasture. Throw Ledger on the top side and you have a stacked pedigree and a tremendous future. Take a look at her full sister who sells as Lot 58 and you will see that Cabernet is a "fine wine."

In life some individuals are lucky enough to just be born into greatness! CD Folly 5084 is blessed to be one of those. This heifer was born towards the end of May and is a show prospect that is deep-bodied, has tons of hair and rib shape. Her sire Fusion was our purchase from the Kris Black program and he is a flushmate to Kate Schaffer's National Reserve Grand Heifer and Show Female of the Year! Her dam is a ten year old cow and grand dam a 12 year old both still in production in our herd. They descend from the Folly cow family started by the Three Trees Ranch National Champion Folly.

She was brought into the world by the picture perfect 8122 dam. The 8122 cow stops any truck touring in the pasture. She has a perfect udder structure at 8 years of age, a profile to die for and sogginess ahead of her time. This is another daughter of "Fusion" that came from Kris Black and is a flush mate to Kate Schaffer's Reserve National Champion and Show Female of the Year! In the flesh 5091 is long bodied, angular in her front one third and has hair galore. She has the bone and power you'd expect with a shot of Hoo Doo from both sides! She ranks in the top third of the breed for milk EPD and will continue the legacy. You might find her because she is off age, but you will love her because she is great! Find a video at www.cdcharolais.com.

Another June born heifer in that different class division than many others! She is out of a bull we use with great success on many other heifers. Her dam is one of my past show heifers that was highly competitive in the juniors shows. Luna is sleek fronted, level topped and ready to show. We have kept many heifers back in the herd out of this maternal side of the pedigree. My sister Baylee is also bringing a half-sister to this sale.

Baylee writes, "a cute little June heifer, I'm only showing one older heifer this year, so I've decided to offer this young one in the Expo, so here's your chance to benefit on a good heifer." She's out of a first calf heifer that did an awesome showing for me. She was an excellent mother with a ton of milk. You've got to like the depth of rib, style and levelness in her design. Be sure to check these two MLL Turtle Bay young heifers, they need to stay together to make you money in the pasture.
