Named Reserve Junior Bull Calf Champion at the 2019 Illinois State Fair, Topsider is a son of the AICA Show Sire of the Year, M&M Outsider 4003. His dam, from the Baldrige Sweetheart 7M cow family, was a high seller in the historic M&M Dispersal Sale. A full sister to Topsider was Fourth Overall Bred & Owned Female at the 2019 National Junior Heifer Show. He is a big footed, freewheeling bull that will get out and cover a lot of cows. He has a real calving ease look to his structure, being long sided, smooth shouldered, and extended through his front end.

Take notice of these great throwback genetics. 49D is sired by the great LHD Cigar E46 whose progeny dominated the Charolais scene for years until his semen became scarce. 49D gives you an opportunity to reinfuse those great genetics back into your female base. Cigar females were some of the soggiest, heavy milking females we have seen. His mother is none other than the great LaFraise Keisha 64A. A maternal brother was the high-selling animal in the 2020 Iowa Beef Expo sale. Don't miss an opportunity here!

This masculine herd sire has been a favorite from day one. "Caribou Lou" combines so much power and growth with an elite look from the side and he still manages to be flexible off both ends of his structure. He was exhibited at Junior Nationals and was Reserve in his division. His dam is a direct daughter of the Easy Pro 8063 donor of Dan Sullivan's and she is a full sib to the popular AI sire 100 Proof. Being a direct son of Rhinestone, a proven sire of Champions, and out of an elite cow family, we have the utmost confidence that he will sire quality offspring for any operation.

If the sire's pedigree on this bull doesn't catch your eye, his look sure will. This one comes out of the great Outkast bull gaining a lot of fame in the Charolais breed. His dam is a bull producer for K&D Cattle, and multiple of her progeny have sold in this sale. This bull is built with a ton of muscle but keeps all of it within his lines, which allows him to be correct at the ground. Captain America will surely add dimension and growth while maintaining structure as an essential feature.

Cow. This big ribbed, powerful female blends so much quality into a functional package. Turton cows have made a name for themselves as proven producers of Champions and this bred heifer will be no exception. Her dam is a direct daughter of the breed famous Smokette cow and her sire is the National Champion bull, Turton. She was campaigned this summer and found the backdrop. She is safe in calf to Outlier. Outlier has made a splash in his rookie calf crop with multiple high sellers and we feel this mating has all the potential to be really special.

This female is "old school cool" pedigree meets "fast forward fresh" phenotype. Sophia is ultra-cool in her lines, great hipped, neat necked with enough bone and shape to hit the ring with a show halter. Her dam has been a very prolific female for us since her purchase from Wrights as a bred heifer. The Stealth females were the absolute mainstay of the M&M herd and for good reason. Take a good long look at this female; big things are in her future...

Elite Show Heifer. This June female has the exciting show cow pieces. She ties a long, skinny neck high out of her shoulder and transitions back to a soft, swoopy rib shape with a killer hind leg. Her dam was our pick of the Pfeifer Farms heifer offering from 2018 and she stems from three generations of proven calving ease. Her extremely gentle attitude makes her perfect for a first-year showman, but her quality makes her the kind that any age showman wants to grab ahold of.
