This rugged, durable herdsire covers the basics extremely well. He's an easy fleshing, big bodied bull that is correct in his foot shape and gets out and goes with flex and comfort. "Templeton" is a wide made, great haired bull that stems from a dam that we flush regularly and she is a direct daughter of the original "Smokette" donor. He was successfully campaigned last Summer, being named Champion Overall bull at Grundy County and Reserve in his division at the Illinois State Fair. With his genetic makeup and phenotype, we have confidence he will raise quality offspring for any farm.

Junior Champion Bull at the 2021 Illinois State Fair. This soggy, easy fleshing, deep bodied bull is a load. He is sired by the great maternal and calving ease Bull, LT Rushmore. 500 has a -1.4 BW EPD and a 37 milk EPD which ranks him in the top 1% of the breed. His heavy milking dam is a daughter of the National Champion Bull, Bohannon, and she also descends from Wright Charolais' great donor cow, Baldridge Sweetheart 7M. This bull will add pounds, look, and doability to your calf crop.

Junior Bull Calf Champion at the 2021 Illinois State Fair. Razzle Dazzle is a good looking son of the popular CCC WC Redemption 7143. His dam is an extra stout ribbed, heavy milking female from our Keisha cow family. This bull has a low birth weight and strong performance, with a look that has helped him excel in the show ring. Here is a bull that will work in all facets of the industry.

116 offers an extremely balanced EPD profile with an emphasis on lower birthweights from both the sire and dam side of his pedigree. He doesn't disappoint when it comes to phenotype, either. Long spined, big hipped with plenty of extension through his front end, he will add some stretch and grow to his progeny.

This Bullard Malena by Redemption bull stems from the heart of our Charolais program. Malena is out of the great LaFraise Charm cow that has been one of our most consistent producers for going on 16 years. This Redemption bull comes at you with big time power and very structurally correct feet and legs that will ensure his longevity in the pasture.

NF Judge is loaded with potential, ranking top 25% in low birthweight and top 30% in calving ease. This bull has Canadian genetics bought from some of the top breeders in the country. He is a true outcross for any purebred operation or herd bull for the commercial cattleman. With no Fire Water or LT Ledger in his pedigree, he is one of a kind. He is sound footed, strong backed, lots of hair and perfectly uniform with great winter gain for the feedlot.

My wife has always liked Charolais cattle, so for our first anniversary I called my good friend Darvin Dykes and picked from his replacement pen. I come home with a first calf heifer pair and our journey in the Charolais breed began. I saw Carbon Copy in Denver in 2020 and just knew I had to breed her that way and he did not disappoint. Diamond Buyer is big footed, bold in his rib design, stout hipped and sleek fronted. I can't wait to see his first calf crop. Buy with confidence!

Kinsley is an outstanding senior yearling show heifer that will definitely be able to stand the heat at this year's National Junior Show in Grand Island, Nebraska. A tremendous senior yearling prospect. Thick, clean fronted with straight lines. One of the first calves selling from the Reserve National Champion White Bear out of a daughter of Ivory Angel, National Champion Female. Selling with a fall mating to GHC Reagan should be even more exciting.

Bred AI 12-30-21 to WCR Sherman Tank 0525, EM949166. PE 1-10 to 1-23-22 to WCR Sherman Tank 0525.

A very complete fall bred heifer out of the Solera cow family. She is the natural calf out of our junior donor 5J Solera 1819, a Firemaker daughter. We have flushed her heavily with much success to replace her dominant dam Solera 6054. This heifer is versatile with her pedigree and look. Super quiet for a first year exhibitor or turn out in your replacement pen. She is bred to our exciting new herd sire, WCR Sherman Tank 0525, owned with Tiger Country Charolais. He ranks in the top 5% of the breed for WW, YW, MCE, MTL, CW and TSI. This mating will make a nice performance outcross to add to your program.

This is another great show prospect out of our heralded donor cow, LaFraise Keisha 64A. A full sister was a high-selling female in last year's Iowa Beef Expo Sale that went on to hang banners down in Georgia for her new owner. She is a daughter of the National Champion Bull, Carbon Copy. Karter is long sided, and square hiped with exceptional eye appeal. This is a heifer that can leave her mark at the Junior National in Grand Island, Nebraska this summer.

We are excited to offer this Bad Hombre heifer, she is a full sib to the highly competitive fall heifer exhibited by Adalynn Vaughn last summer. She is a growthy, bold ribbed, powerful heifer. The attribute that sets her apart from others and will get her to the top of the class all year are the angles of her skeleton and flexibility at the ground. We enjoy working on cattle that are this docile and unique made.

It's comforting when a female is this long and attractive about her head and neck, yet opens with a bold, maternal rib shape and has added dimension from behind. With her elite look and flexible running gear, we feel she's going to have an exciting show career. Her sire is out of a donor that is a full sister to 100 Proof that we bought from Dan Sullivan. Her consistent producing dam was our pick from Pfeifer Farms in 2018. She has all the pieces to make it to the backdrop, but by having no Outsider in her pedigree when you set her into production this is going to be a fun one to breed around.
